AUSTRALIA'S LARGEST CONSTRUCTION EQUIPMENT EXPO

SYDNEY DRAGWAY, FERRERS RD, EASTERN CREEK, NSW, 2766 | DIESELDIRTANDTURF.COM.AU

Welcome to the 2025 National Diesel Dirt & Turf Expo[®]

Thank you for visiting Australia's largest construction Expo. This year Diesel Dirt & Turf is bigger than ever, with a huge display of the biggest brands, representing an amazing selection of equipment, vehicles, specialised machinery, attachments, technology and services.

Every year the range of equipment grows and diversifies, as do the advances in technology. The latest innovations on display will help make your business more safe and efficient, while saving time and effort.

If your business is involved in earthmoving; site preparation, services installation, trenching, utilities, landscaping, forestry, public works and infrastructure, time spent at the National Diesel Dirt & Turf Expo is a great way to update your knowledge.

We hope you and your family have an enjoyable experience, whether you are here to find the right piece of equipment, checking out the latest technologies or just enjoying the entertaining atmosphere.

Marti,
EventManager,
National Diesel Dirt & Turf Expo

Welcome to the home of horsepower, Sydney Dragway at Eastern Creek, for the 2025 National Diesel Dirt & Turf Expo on 16-18 May 2025.

Eastern Creek has long been the domain of big vehicles and diesel engines, and I couldn't think of a better venue for this event.

Since the Expo came here in 2021, it has gone from strength to strength and become the nation's premier construction exhibition.

Unlike some other parts of Sydney, we in Blacktown City are not afraid of some heavy machinery and a bit of hard yakka.

Providing homes, parks and roads for the most populous council area (435,000 people) in NSW means the construction industry is a vital player in our future.

Blacktown City is home to some wonderful visitor attractions, and we are delighted to host you for the weekend.

Thank you for the work you do accommodating Sydney's growth and I trust you enjoy the Expo.

Councillor Brad Bunting
Mayor of Blacktown City

KOMATSU

Komatsu is excited to return as the Gold Sponsor of the Diesel Dirt & Turf (DDT) Expo for the fourth year in a row. This event is one of the largest construction industry gatherings in Australia, offering a fantastic opportunity for industry professionals, enthusiasts, and the general public to see the latest in construction equipment, technology, and services.

Our prominent presence at the event allows us to connect deeply with visitors. This year, we're highlighting our commitment to Sustainability and Technology. Come see our latest innovations, including our intelligent Machine Control excavators and dozers and Smart Construction Technology. We'll also showcase how our advanced 'Information Communications Technology' systems can benefit you.

Visit us at stand B1 to explore our wide range of Komatsu machines and services. Don't miss our large demonstration area, where you can get hands-on experience with our equipment.

NATIONAL DIESEL DIRT & TURF EXPO DELIVERS RESULTS!

"The National Diesel Dirt & Turf Expo has all the range of new and existing equipment and the people who work in the construction equipment and services industry, at one dedicated event."

**Robert Kelly, Delaney Kelly Golding
Insurance Broker**

"We are a major supporter of the truck, transport and construction industry. We have a number of our products and brands on display, including Yellow Cover and other products such as Truck Assist which is a roadside assistance program for the construction industry."

**Craig Carmody, National Development Manager
of Transport at National Transport Insurance**

"The business decision to attend in greater numbers and with an improved stand was rewarded as we experienced an increase in stand visitors, opportunities created and sales generated. In addition, the ability to meet with and network with other exhibitors who all have a vested interest in the success of our industry further solidified our belief that the Diesel Dirt & Turf show plays a vital part in the future success of the equipment industry."

James Baird, Auger Torque

"Pickles will be sponsoring DDT again in 2022. It's a fantastic event that brings the industry together, attracting premium brands and thousands of visitors. The past few years have been a great success and we value the connections that we make at the show. The event is really well organised and the team is easy to deal with which is invaluable when you're exhibiting a large volume of equipment"

**Hugh Rainger National Manager,
Trucks and Machinery**

"The National Diesel Dirt & Turf Expo is a great place for the industry to engage with suppliers and customers. It is a great way to see everybody in the industry. We took on sponsorship of the event this year and to show our support for the industry and the Expo's unique ability to reach out customers."

Ryan Hoban, Marketing Manager of Kerfab

"2021 DDT show was a great experience at a new venue, big crowds coming through each with plenty of things to see and do. The live demo pit was a hit with attendees showcasing some of the latest equipment on offer from different OEMs."

Roberto Manna from Westrac

DDT has been a great opportunity for Record TIME to showcase our platform to industry over the years. We have been able to build relationships with new and existing customers from the expo. We have each year benefited from DDT and we are looking forward to the connections we will make at future expos.

Curtis Valtonen, Record Time

"It's great, it's a family friendly exhibition, I've been very impressed with the amount of good quality leads that we are seeing on our stand, we've just had a great show and a great stand for Miller, we've been able to show some of our new innovative products. We've just had a great weekend here at DDT, we'll be back!"

Barry Robinson, Miller
